The Shape that Fits the Future.

1. Intel® Smart Response Technology requires a Intel® Core™ processor, select Intel® chipset, Intel® Rapid Storage Technology software version 12.5 or higher, and a solid state hybrid drive reporting at least 16GB capacity and supporting SATA-I/O hybrid information feature. Depending on system configuration, your results may vary. Contact your system manufacturer for more information.

2. Requires an Intel® Wireless Display enabled system, compatible adapter and TV. 1080p and Blu-Ray\* or other protected content playback only available on select Intel® processor-based systems with built-in visuals enabled, a compatible adapter and media player, and supporting Intel® WIDI software and graphics driver installed. Consult your PC manufacturer. For more information, see [www.intel.com/go/widi](http://www.intel.com/go/widi).
